Wealth Solutions

Non-Resident Banking & Foreign Exchange

Whether you work abroad or conduct a lot of business which requires foreign currency transactions or an account with Emirates NBD; being a non-resident, you can enjoy a full range of Foreign Exchange services and solutions that will meet your every need.

Benefits of Savings Accounts

Our Standard Savings Account does the simple things very well for you. Available in UAE Dirhams only, it pays a competitive interest rate and gives you access to your savings whenever and wherever you need them. Its features also include:

- > 0.20% annual interest on balances
- > Free international debit card
- > 24-hour access via Mobile Banking, Online Banking, Phone Banking & ATMs
- > Payment facilities for telephone, electricity, Salik recharge, traffic fines, etc.

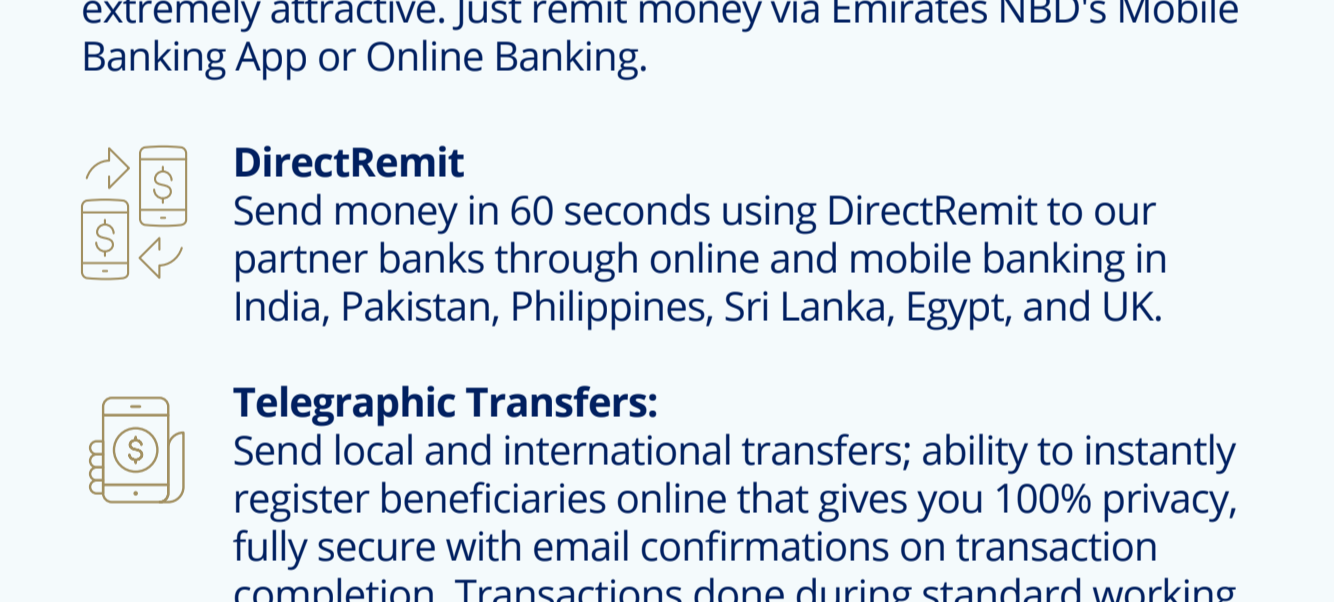

The Priority Banking Smart Saver Account is designed for people who like to manage their account online. It offers a range of currency options (AED, USD & GBP), higher interest rates and easy to use management tools. Its features also include:

- > Interest rates calculated on daily balances
- > Account can be opened and operated through Mobile Banking and Online Banking

If you want to hold balances in different currencies, but with only one account, Currency Passport Savings Account is the one for you. It offers attractive interest rates and allows you to pay your bills easily.

- > Available in USD, GBP, AUD, CAD, CHF, EUR, JPY, SGD, HKD, JOD, KWD
- > 0.15% annual interest for select currencies
- > Transfers between Currency Passport Savings Accounts in different currencies permitted.
- > Payment facilities for telephone, electricity, Salik recharge, traffic fines, etc.
- > Quarterly statement

Transfers

We offer preferential foreign exchange rates and fee free transactions that makes remittances through Emirates NBD extremely attractive. Just remit money via Emirates NBD's Mobile Banking App or Online Banking.

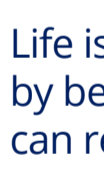

DirectRemit

Send money in 60 seconds using DirectRemit to our partner banks through online and mobile banking in India, Pakistan, Philippines, Sri Lanka, Egypt, and UK.

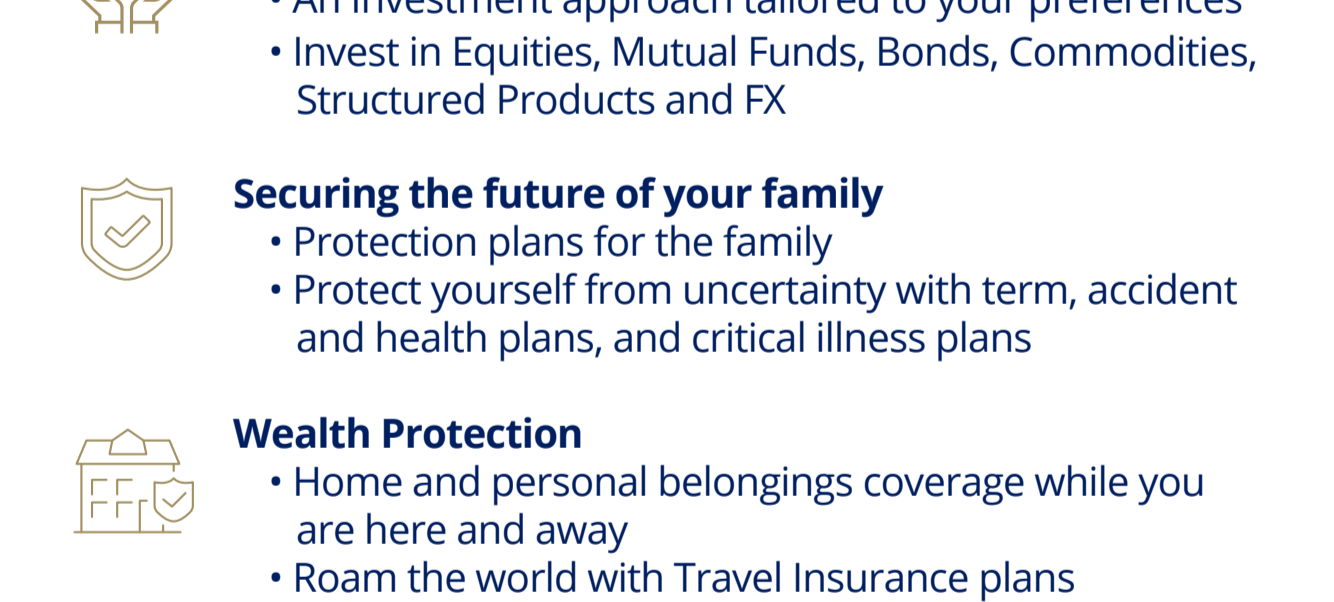

Telegraphic Transfers:
