4. Wallet is created with confirmation message

The screenshot shows an email from Noqodi with the subject "Registration". The content includes a congratulatory message, the user's name "Dear Waqas", their new wallet ID "DW240565", and instructions on how to fund the wallet. It lists three methods: Net Banking, Debit or Credit card, and Manual Transfer. It also mentions that all Noqodi merchants are linked to the wallet and provides a link to the Terms and Conditions.

Registration

Congratulations! You have successfully registered with noqodi.

Dear Waqas,

Your new Wallet ID is **DW240565**. Please use this ID and your password that you have created to login to our site www.noqodi.com

You can simply fund your wallet and make payments using wallet or saved credit cards. You can fund the wallet account instantly using following ways:

Net Banking	Fund your wallet through net banking with the listed banks on our website. In case your bank is not listed, please call 042376100.
Debit or Credit card	Pay using Debit or Credit Cards
Manual Transfer	Deposit money at the bank's mentioned in our website by providing Wallet ID as a deposit reference. Submit the bank reference number to emaratech back office for verification. Upon verification, we will credit funds to your wallet account.

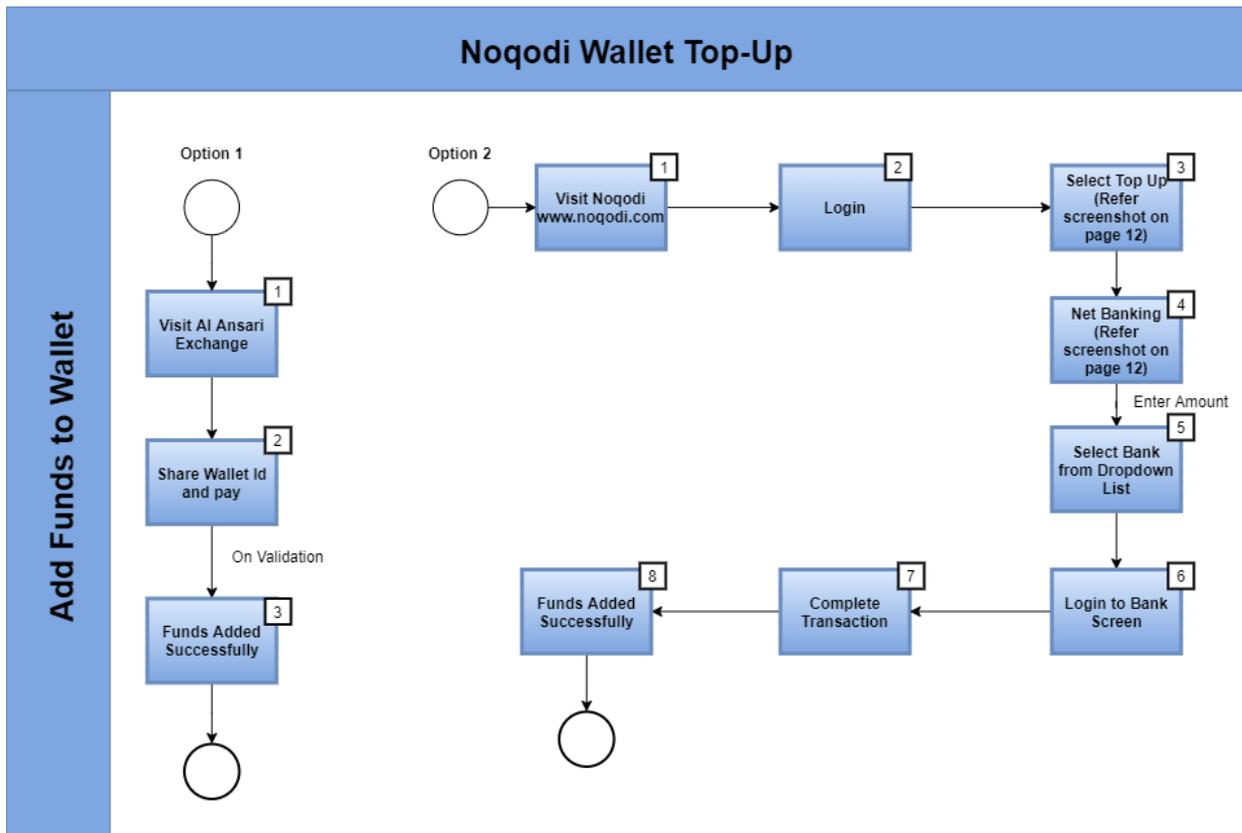

All noqodi merchants are linked with your wallet, if you wish to delink, Login into noqodi and delink a merchant with our **Remove Merchant** feature.

Please read the form [here](#) and noqodi [Terms and Conditions](#) carefully and keep it for future reference.

Thank You,
Team noqodi

3. Noqodi Wallet Top-up – Add Funds

3. Click on Xpress Pay

The screenshot shows the noqodi dashboard. The user is logged in as Waqas DW240565 with a current balance of 0.00 AED. The dashboard features a navigation sidebar on the left with options: Dashboard, Preferences, Topup, Add Accounts, Xpress Pay (highlighted with a red arrow), Bill Payments, Remove Merchant, and Reports. The main content area displays a message about using the noqodi ewallet for payments. Below this are five summary cards: AVAILABLE BALANCE (0.00 AED), HOLD AMOUNT (0.00 AED), LAST TOPUP (AED), LAST PAYMENT (0.00 AED), and ACCOUNT(S) (Wallet: 1, Cards: 0). There are also sections for 'Last 10 Topup' and 'Last 10 Payment', both showing 'No content available'. The footer contains copyright information and contact details.

4. Click on Create Xpress Payment

The screenshot shows the 'Manage XPressPay' page in the noqodi dashboard. The user is logged in as Waqas DW240565 with a current balance of 0.00 AED. The page has a search bar and a 'Listing 10' dropdown. Below the search bar, it says 'No record found'. A red arrow points to the 'Create Xpress Payment' button in the top right corner of the main content area. The sidebar on the left is the same as in the previous screenshot, with 'Xpress Pay' selected. The footer contains copyright information and contact details.

5. Select Merchant

Choose merchant for which you want to setup Xpress Payment for.

Example: Trakheesi.

The screenshot shows the 'Manage XPressPay' interface in the Naqodi app. The top navigation bar includes the Naqodi logo, user information (Last logged in on: N/A, Waqas, DW240565), and the current balance (0.00 AED). The left sidebar contains menu items: Dashboard, Preferences, Topup, Add Accounts, XPress Pay (highlighted), Bill Payments, Remove Merchant, and Reports. The main content area is titled 'Manage XPressPay' and contains a form with the following fields:

- Merchant ***: A dropdown menu with a list of merchants including Trakheesi, Tabou Mobile, TheAddressResidence-FountainViews, SobhaHartlandEstates-Townhouses, and etrader DED.
- Member ID ***: A text input field with a 'Validate' button next to it.
- Name ***: A text input field.
- Mobile ***: A text input field with a mobile phone icon on the left.
- Payer Daily Limit ***: A text input field with a currency selector set to 'AED' and a value of '10000'.

6. Enter required details

- Enter Valid Member ID (login username for your selected Merchant account)
- Valid Email
- Valid Mobile number
- Name - setup name for payment reference account
- Set Daily Limit cap

7. Validate
